PMA hails introduction of Amal bill

KARACHI: Pakistan Medical Association on Saturday hailed the Sindh government's move to introduce The Sindh Injured Persons Compulsory Medical Treatment (Amal Umer) Bill, 2019 saying it was hugely needed and overdue.

"PMA's long-time demand has been met by the Sindh government, they have presented a bill on providing emergency treatment to injured person on top priority basis free of charge, both at government

and private hospitals," said Dr S.M. Qaisar Sajjad, secretary general, PMA, in a policy statement.

He said the PMA appreciated the Sindh government for presenting that bill, which was need of the hour to save lives of patients with critical injuries.

"The innocent people have been dying in casualty departments of hospitals. This legislation will definitely help the affected persons visiting emergencies."—Staff Reporter

PMA praises Sindh Govt for emergency treatment bill

KARACHI: Pakistan Medical Association (PMA) has appreciated the Sindh government for presenting bill for provision of mandatory emergency treatment facilities to injured persons. PMA's long time demand has been met by the Sindh Government, they have presented a bill on providing emergency treatment to injured person on top priority basis without any charge, both at government and private hospitals, says a PMA release. Pakistan Medical Association (PMA) appreciates the Sindh Government for present-

ing this bill, which was the need of the hour to save the lives of the patients particularly the critical injured patients. The innocent people were dying in the casualty departments of the hospitals.

This legislation will definitely help the effected person visiting the emergency department. There are many laws, rules and regulations in our country but the most important thing is an implementation of the laws, which is often neglected, now we want the implementation of the law in later and

spirit.

We request the government to extend its Medico Legal services also towards private hospitals and establish its units at least at four private hospitals in each district of Karachi. More over the person who bring any injured to a hospital should not be subjected to any sort of harassment. PMA request the Federal Government that this law should be made and implemented in every hospital of Pakistan through Health Care Commission of each province.—RT/Agency

مفت علاج کی فراہمی، حکومت نے

ہمارا ایک مطالبہ پورا کر دیا، پی ایم اے

کراچی (اسٹاف رپورٹر) پاکستان میڈیکل ایسوسی ایشن نے کہا ہے کہ سندھ حکومت نے سرکاری و پرائیویٹ اسپتالوں میں زخموں کو ترجیحی بنیادوں پر مفت ہنگامی علاج کی فراہمی کا بل اسمبلی میں پیش کر کے ہمارا ایک مطالبہ پورا کر دیا ہے، بل پیش کرنے پر پی ایم اے حکومت سندھ کو مبارکباد پیش کرتی ہے۔ یہ بل مریضوں اور خاص طور پر شدید زخموں کی جان بچانے کے لئے نہایت ضروری تھا، کیونکہ غریب لوگ اسپتالوں کے شعبہ حادثات میں مر رہے تھے۔ یہ قانون سازی اسپتالوں کی ایمرجنسی میں آنے والے افراد کے لئے نہایت فائدہ مند ثابت ہوگی۔ پی ایم اے نے کہا کہ ہمارے ملک میں بہت سے قوانین موجود ہیں لیکن ان کو اکثر نظر انداز کیا جاتا ہے، ہم چاہتے ہیں کہ ان قوانین پر سختی سے عمل درآمد کرایا جائے۔
