## PRESS RELEASE

Pakistan Medical Association (PMA) is deeply concerned over the mysterious death of a lady Dr. Aroosha Naureen, working at the Gynae ward of Jinnah Hospital, Lahore. She was found dead in her hostel room on Thursday night.

The medical fraternity is shocked to hear this news. Such incidence causes fidgety amongst the doctors community. Administration and police should avoid giving speculations that could negatively affect the investigation.

PMA demands from the government to instigate a fare and transparent inquiry of this incident to bring out the actual facts behind this inexplicable death of a young doctor to avoid such mishaps in future.
